BERLIN W., den 16. 4. 1904
Kurfürstendamm 217.

My dear friend,
I understood that our concert
was to be strictly a Sonata concert
and therefore I suggest the following
the programme.

Sonata a minor - Schumann
" " E flat - Mozart
" " A major - Brahms
" " ~~E minor~~ Mozart
Kreutzer Sonata - Beethoven

I dislike playing solos now.
Do you think really anyone
could object against my act
of piety in playing for the

Leigh-on house one piece with
the quartet! I cannot imagine
it, it would be perfectly bad
taste on the part of the Committee.
We repair soon.

With kindest regards

yours

Joseph Jackson
